Kansas City, MO 64116 USA

To whom it may concern:

This letter confirms that Smiths Interconnect America, Inc. has completed their ISO 13485:2016 Surveillance/Special Audit with TÜV SÜD America for a site move from their previous address, 5101 Richland Ave., Kansas City, KS 66106. Their onsite audit was completed on November 10, 2023.

This specific location is part of a Multisite certificate. The last location being audited on the multisite certification was concluded on November 17, 2023. After non-conformities have been accepted, the audits will go through the technical review process. Once the technical review process has been approved, the new certificate with the new address will be issued.

If there are any questions regarding the certification status of Smiths Interconnect America, Inc. please contact me.

Sincerely,

A handwritten signature in cursive script that reads 'Jaymie Jensen'.
